

*“Every bird has a story.
Yours to color and discover.”*

Open this book and step into the gardens of North America — where Cardinals flash scarlet against the snow, Hummingbirds hover like living jewels, and Goldfinches light up summer like tiny suns.

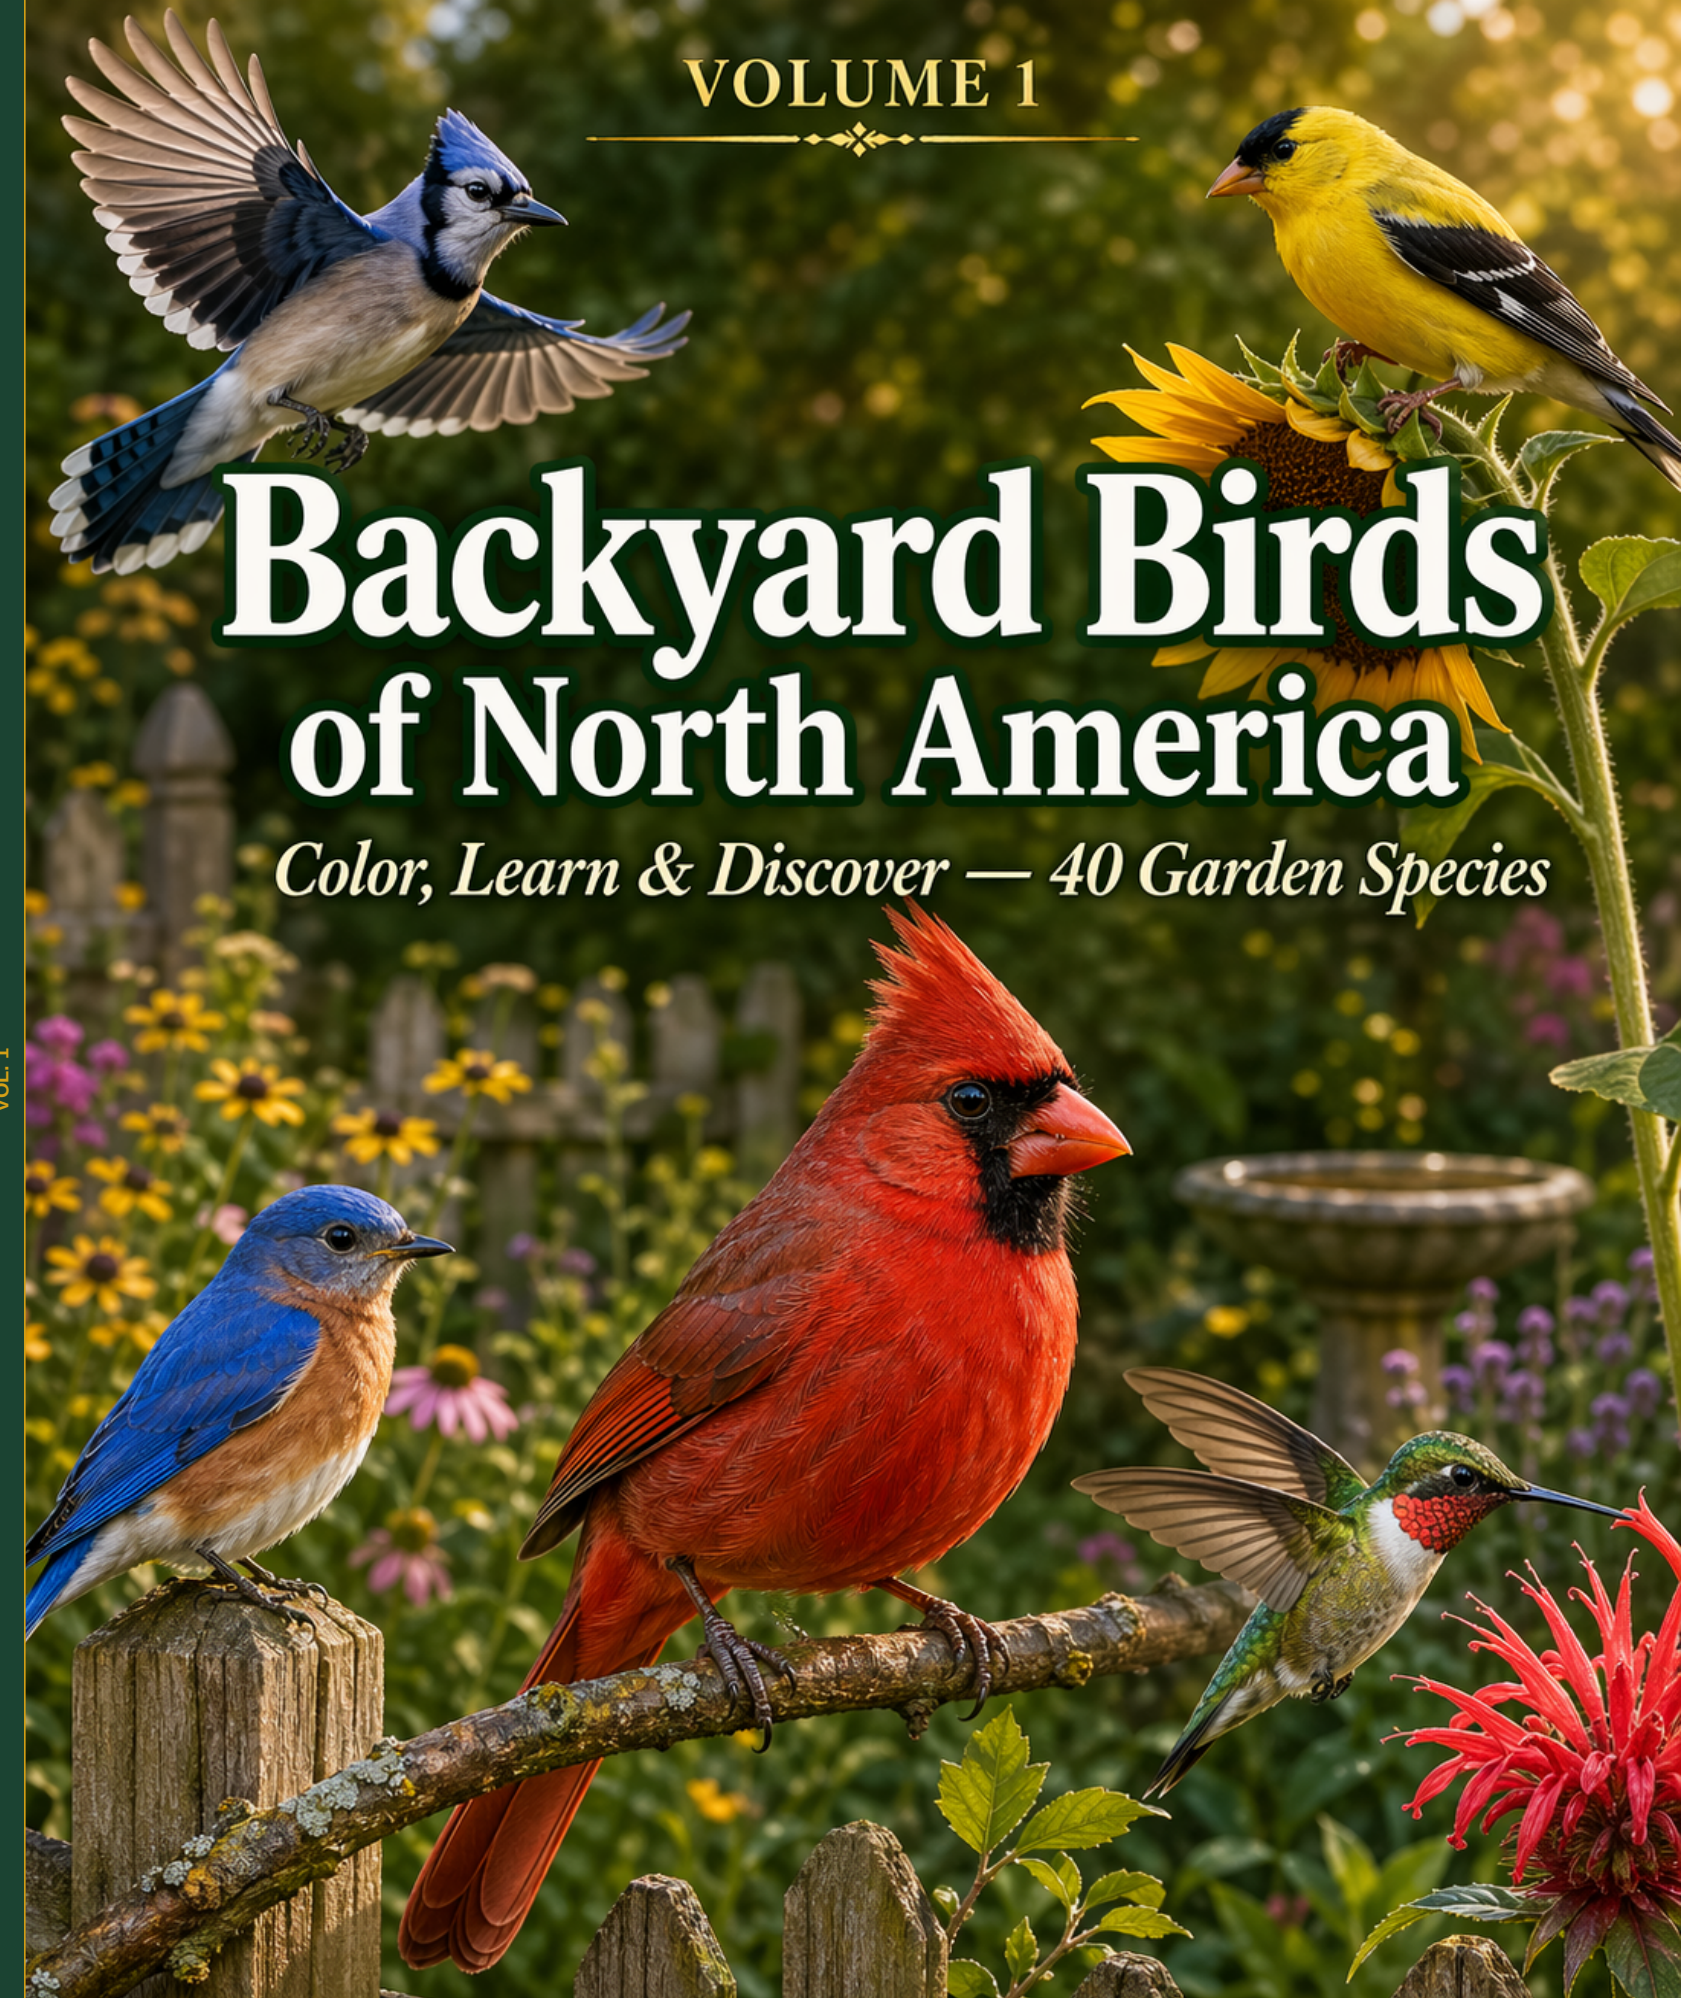

Backyard Birds of North America combines the joy of coloring with the wonder of wildlife discovery.

- ✦ 40 North American garden bird species
- ✦ Full-page coloring illustrations — clean bold lines
- ✦ Species fact sheets: behavior, diet, habitat & range
- ✦ Color guides for realistic or creative coloring
- ✦ Did You Know? anecdotes for every species
- ✦ Perfect for nature lovers of all ages

Ideal for beginners and bird enthusiasts alike.
